Keyless locking systems increase hospital security!

keySOLVE

YOUR COMPLETE
SOLUTION TO
ACCESS CONTROL

In a cost-effective easy to use package that **YOU** can control and manage.

KeySOLVE is quick to install (by your own estates dept) and extremely easy to manage by in-house staff. Both of these features mean that you can respond quickly to sudden security demands

Supervise access to your key areas such as:

- **Pharmacy**
- **Patient Records**
- **Nuclear Medicine**
- **Maternity Unit**
- **Hazardous Waste Store**

Simple to Install • Competitively Priced
