Front View

PRODUCT OVERVIEW

A highly versatile range of attractive indoor Push Buttons combining unique design, quality and value. These aesthetically appealing, low/high voltage switches fit any standard UK-type switch socket box, and are quick and easy to install.

Dual Mount

Designed to fit either flush or surface installations (35mm black surface back box and flush mounting plate included).

Key-to-Reset

For applications where repeat activation must be controlled. Once the switch has been manually activated, it can only be reset by inserting a special key.

KEY FEATURES
