

Collapsible Road Signs Instructions

Square & Rectangular Signs

1. Open the back leg of the tripod first.
(this is the leg with the hook halfway down)

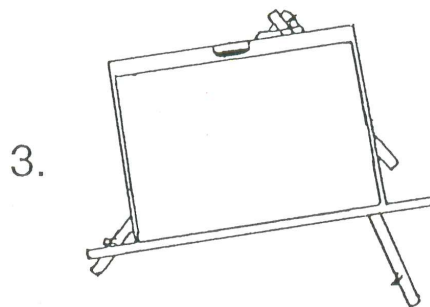

2. Open the two front legs.

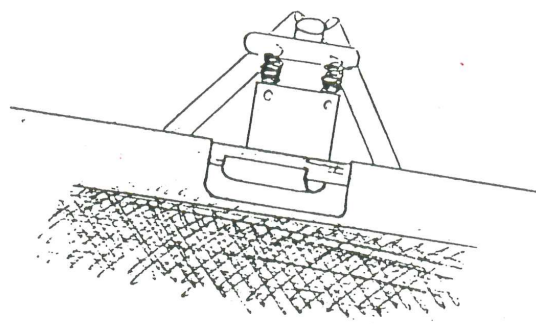

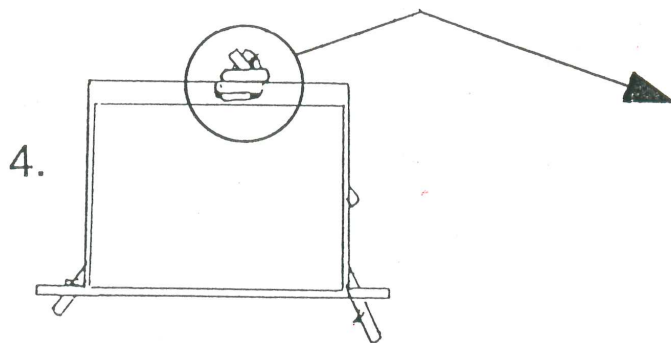

3. Unroll the sign panel.

Hook one end of the sign panel under the bolt at the bottom of a tripod leg.

4. Hang the top of the sign panel onto the spring-mounted catch at the top of the tripod.

5. Hook the other end of the sign panel under the other bolt at the bottom of a tripod leg.

5.
